The state of Massachusetts does not offer certification in drinking water for the following parameters: Magnesium, Iron, Manganese, Potassium, Chloride, Color, Odor, Conductivity, Hardness, Ammonia

Regulatory Limits are from Federal and State Guidance documents. As regulatory limits change frequently, Microbac advises the recipient of this report to confirm such limits with the appropriate Federal, state or local authorities before acting in reliance on the regulatory limits provided. Comments as to whether or not any particular sample is satisfactory is based solely upon regulatory limits and guidelines.

The data and information on this, and other accompanying documents, represent only the sample(s) analyzed and are rendered upon condition that it is not to be reproduced wholly or in part for advertising or other purposes without approval from the laboratory.
